DAY 1 Friday 12th November

9.00 am	<p>Registration</p> <p>SESSION I Chairs: <i>Dr. Aideen Long, Senior Lecturer, Institute of Molecular Medicine (IMM), TCD and Dr. Tom Ryan, Consultant Anaesthetist, St James's Hospital (SJH) and Principal Investigator, IMM, TCD</i></p>
9.40 am	<p>Opening of Meeting Prof Dermot Kelleher, Director, Institute of Molecular Medicine, Head of Department of Clinical Medicine, Head of School of Medicine, TCD</p>
9.45 am	<p>8th Institute of Molecular Medicine Lecture Prof John O'Leary, Professor of Pathology, TCD, Consultant Histopathologist St. James's Hospital and Principal Investigator, Institute of Molecular Medicine. "Novel functional and mechanistic insights in cancer"</p>
10.30 am	<p>Prof Seamas Donnelly, Consultant and Principal Investigator, Education and Research Centre, St. Vincent's Hospital, and School of Medicine, UCD "Pulmonary Fibrosis: Genetic Susceptibility and Potential Novel Therapies"</p>
11.15 am	<p>Coffee Break</p> <p>SESSION II Chairs: <i>Prof Con Feighery, Professor of Immunology, Head of Dept. Immunology, TCD and Principal Investigator, IMM and Dr. Derek Doherty, Lecturer in Clinical Immunology, TCD and Principal Investigator, IMM, TCD</i></p>
11.45 pm	<p>Prof Padraic Fallon, SFI Stokes Professor of Translational Immunology, IMM, TCD "Atopic dermatitis: a translational tail of mice and men"</p>
12.30 pm	<p>Prof Simon Hogan, Professor of Paediatrics, Division of Allergy and Immunology, University of Cincinnati, USA "Intestinal permeability and mast cells regulate severity of food-induced anaphylaxis"</p>
13.15 pm	<p>Lunch</p> <p>SESSION III Chairs: <i>Prof Kingston Mills, Professor of Experimental Immunology, Head of School of Biochemistry and Immunology, TCD, IMM and Prof Joe Keane, Respiratory Consultant, SJH, Associate Professor and Principal Investigator, IMM and TCD.</i></p>
14.30 pm	<p>Prof Alan Irvine, Professor of Dermatology, IMM, TCD and Consultant Dermatologist, Our Lady's Hospital, Crumlin "Breaking down the barriers in allergic disease"</p>
15.15 pm	<p>Prof SGO Johansson, Professor of Clinical Immunology and Allergy, Division of Medicine, Karolinska Institute, Sweden "Ig E - to be or not to be"</p>
16.00 pm	<p>Coffee Break</p>

SESSION IV

Chairs: *Prof Frank Giles, Professor of Cancer Therapeutics and Director, HRB Clinical Research Facility, NUI, Galway and TCD and Dr. Dermot O'Toole, Consultant Gastroenterologist, Senior Lecturer, SJH and Principal Investigator, IMM, TCD*

16.30 pm **Prof Patrick Maxwell**, Professor of Medicine and Director of the Division of Medicine, University College London
"Confessions of a clinician scientist - how oxygen turned me on"

17.15 pm **State of the Art Lecture**
Prof John Iredale, Professor of Medicine, Director of MRC/UoE Centre for Inflammation Research, Queen's Medical Research Institute, University of Edinburgh
"Liver fibrosis: exploring the dynamic nature of inflammation and repair in a solid organ"

18.00 pm **POSTER COMPETITION AWARDS**
Judges: Professors Cormac Taylor and Simon Hogan

18.15 pm **Reception**

DAY 2 Saturday 13th November

9.00 am **Registration**

SESSION V

Chairs: *Prof John Reynolds, Professor of Surgery, St. James's Hospital and Principal Investigator, IMM, TCD and Dr Evelyn Conneally, Consultant Haematologist, St James's Hospital*

9.30 am **Prof Cormac Taylor**, Associate Professor, Conway Institute, UCD
"Into thin air: hypoxia-dependent pathways as new therapeutic targets"

10.15 am **Prof Frank Giles**, Professor of Cancer Therapeutics, Director, HRB Clinical Research Facility, NUI Galway and TCD
"CML - moving towards cure of all patients"

11.00 am **Coffee Break**

SESSION VI

Chairs: *Prof Owen Smith, Professor of Haematology, TCD, Consultant Paediatric Haematologist, Our Lady's Children's Hospital, Crumlin and Dr. Roger Preston, Principal Investigator, Haemostasis Research Group IMM, TCD*

11.30 am **Dr. Paul Browne**, Consultant Haematologist, St James's Hospital and Principal Investigator, IMM and TCD
"The cancer-immunology interface in myeloma: a model for translational therapeutics"

12.15 pm **The John Durkan Memorial Lecture**
Prof Shaun McCann, Professor of Academic Medicine, TCD
"Back to the future"

1.00 pm **End of Meeting**
