

Haematology Association of Ireland
Nurses Group

Annual Conference – 16-18 October 2009
Lyrath Estate Hotel, Kilkenny

Focus on Haemostasis and Thrombosis
Friday 16th October 2009

**Attention All Nurses working in Haemostasis and Thrombosis
and Anticoagulation Clinics!!!!**

On Friday October 16th as part of the Annual HAI meeting, the HAI Nurses Group have arranged a special focus on Haemostasis and Anticoagulation. All nurses working in the areas of Anticoagulation and Haemostasis are welcome! Please submit abstracts by September 11th to qualify for a poster or oral presentation. This meeting promises to be a great opportunity for learning and networking.

Features will include

Lectures:

Dr James O'Donnell "Recent advances in reversal of Anticoagulant Therapy"
Dr Niamh O'Connell, "Novel Anticoagulants"

Two Oral Abstract presentations on any aspect of Haemostasis and Thrombosis or Anticoagulation – to be chosen from abstracts submitted

Poster presentations on Haemostasis and Anticoagulation - to be chosen from abstracts submitted

We look forward to seeing you there!

Complimentary to members (so please remember to renew your membership!!).
New Members Welcome!
